Item 3 Neighbourhood Police Reports

Please keep reporting.

It is important to have details of all activity

- 1.** As this provides the basis for resourcing adequately.
 - 2.** It highlights the hot spots
- Originally as many as 45 individuals were involved in anti-social behaviour in Emersons Green, Downend and Mangotsfield. Through the police team working with the individuals these numbers have now much reduced.

- There has been some activity in the area from rogue traders. Some have been moved on by the police and another proved to be genuine.
- Arson at Mangotsfield 3 arrested.
- Security Cameras can be a deterrent while some youths like to 'play up' to them.
